

Global Point of Care Technology Market 2016 Overview, In-depth Research, Statistics, and Analysis to 2027

Point of Care Technology Market by Product Type (Glucose Testing, Cardiac Markers), Instrument (Blood Glucose Meter), and End User (Hospital) - Forecast to 2027

PUNE, MAHARASHTRA, INDIA, November 22, 2016 /EINPresswire.com/
-- Synopsis of Point of Care Technology Market

Market Scenario

Globally the market for point of care technology POCT is increasing rapidly mainly due to increasing growth in developing technology in healthcare industry. The factors that influence the growth of Point of Care Technology market; development in diagnostics, patients suffering from disease such as diabetes, increasing growth in medical technology, uses of point of care technology in wide range and others.

Market Research
Future

Market Segmentation

The key players in market are Abbott Laboratories, Inc. (U.S.), Johnson & Johnson (U.S.), Techno Medica (Japan), Roche Diagnostics Limited (Switzerland), Siemens AG (Germany), Alere Inc. (U.S.)”

Market Research Future

The market for point of care technology is segmented into mainly three; by product type, by instrument and by end users and its various sub-segments.

- By Product Type include Glucose Testing, Cardiac Markers, Hb1Ac Testing, Coagulation, Fertility, Infectious Diseases, Primary Acre Systems, Hematology, Blood Gas Electrolytes, Decentralized Clinical Chemistry, Feces and others.
- By Instrument includes blood glucose meter, nerve conduction study device and others.
- By End Users; Clinics, Hospital, Home care, Ambulatory Care, Laboratory and others.

Taste the market data and market information presented through more than 40 market data tables and figures spread over 110 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on [“Global Point of Care Technology Market Research Report - Forecast to 2027”](#)

Key Players

The key players that are involved in global point of care technology market are

- Abbott Laboratories, Inc. (U.S.)
- Johnson & Johnson (U.S.)
- Techno Medica (Japan)
- Roche Diagnostics Limited (Switzerland)
- Siemens AG (Germany)
- Alere Inc. (U.S.)
- Instrumentation Laboratory (U.S.)
- PTS Diagnostics (U.S.)
- Nova Biomedical (U.S.)
- Beckman Coulter, Inc. (U.S.)
- Becton, Dickinson and Company (U.S.)
- Mizuho (japan)
- Quidel (U.S)
- Meridian Bioscience (U.S)

Regional Analysis of Point of Care Technology

North America dominated the global point of care technology market with the largest market share. Europe is second largest market for Point of Care followed by Asia-Pacific

The report covers brief analysis of Geographical Region like:

Americas

- North America
 - o US
 - o Canada
- Latin America

Europe

- Western Europe
 - o Germany
 - o France
 - o Italy
 - o Spain
 - o U.K.
 - o Rest of Western Europe
- Eastern Europe

Asia– Pacific

- Asia
 - o China
 - o India
 - o Japan

- o South Korea
- o Rest of Asia
- Pacific

The Middle East & Africa

About Market Research Future:

At [Market Research Future \(MRFR\)](#), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.

In order to stay updated with technology and work process of the industry, MRFR often plans & conducts meet with the industry experts and industrial visits for its research analyst members.
