

# Al Iejaz uPVC pipes seeks regional distributors in GCC and Africa

*Distributor program backed by value-added elements like volume discounts, rebates, co-op marketing, training, sales support and much more*

SHARJAH, SHARJAH, UNITED ARAB EMIRATES, November 23, 2016 /EINPresswire.com/ -- Al Iejaz uPVC pipes seeks regional distributors in GCC and [Africa](#)

Distributor program backed by value-added elements like volume discounts, rebates, co-op marketing, training, sales support and much more

Sharjah, Nov 23, 2016: AL IEJAZ PLASTIC PIPES IND. LLC, UAE-based ISO 9001:2008 certified company , manufacturer of uPVC (unplasticized polyvinyl chloride) or rigid [PVC pipes](#) for Soil, Waste (above ground), Sewer and Drainage (under ground) and Telecom, Electrical Ducts and Conduits, announced that the company is seeking to expand its GCC and North Africa operation by adding new distributor partners interested in forming mutually beneficial partnership for growth in these markets.

"The pipes and fittings industry in Middle East and North Africa region has grown considerably over the past years. Factors such as rising population leading to increased demand for housing and agricultural products, increased government thrust on infrastructure development, rising demand from construction and manufacturing sector and increasing recognition among people regarding the benefits of PVC pipes over other conventional piping systems have impelled the scope for PVC pipe industry in the region in the past and the trend is expected to continue in the future years as well, " said Ajaz Majid, CEO of AL IEJAZ PLASTIC PIPES.

"Our company is experiencing steady growth in the U.A.E market, an active business and commercial hub of the Arab World. When I hear about what markets across MENA region want from a uPVC pipe manufacturer, I get very excited. Their needs align with the capabilities and features of what we started manufacturing even years ago," he stated.

"Partnering with us with provide distributors an opportunity to leverage one of the most proven and innovative product portfolios in the industry for new revenue opportunities, all backed by a best-in-market distributor program offering value-add elements like volume discounts, rebates, co-op marketing, training, sales support and much more", he added.
