PUNE, MAHARASHTRA , INDIA , November 24, 2016  
/EINPresswire.com/ -- Market Research Future published a half cooked research report on [Oil & Gas Separator Market](#). The Global Oil & Gas Separator Market is expected to grow at a CAGR of about 5% during the forecast period, 2016 to 2022.

## Market Highlights:

Oil & Gas Separator is basically a pressure vessel used for separating a well stream into gaseous and liquid components. They are installed either in an onshore processing station or on an offshore platform. Based on vessel configuration, it is divided into horizontal, vertical & spherical separator. Increasing E&P activities in conventional & unconventional reservoirs in onshore & offshore location along with increased level of water production in tight reservoirs is expected to increase the oil & gas separator market and is expected to register a significant growth of 5% in the next six years. North America region is a major shareholder of the Oil & gas separator market and expected to retain its majority during the forecast period. Asia-Pacific region is expected to grow at fastest pace during the forecast period.

Taste the market data and market information presented through more than 40 market data tables and figures spread in 100 pages of the report. Avail the in-depth table of content TOC & market synopsis on "Oil & gas separator Market Information- Global Forecast to 2022"

## Scope of the report:

This study provides an overview of the Oil & gas separator industry, tracking market segments across the categorized five geographic regions. The report provides a six-year forecast for the market size in terms of value for North America, Europe, Asia-Pacific, Middle East & Africa, and South America. The scope of the study segments the Oil & gas separator market based on Technology, Type, & Application.

- Two - Phase
- Three - Phase
- Deliquilizer
- Scrubber
- Degasser
- Application
- Onshore
- Offshore
- Refineries
- Region
- North America
- South America
- Europe
- Asia - Pacific
- Middle East & Africa

#### Key Players of Oil & Gas Separator Market:

- Pall Corporation
- ACS Manufacturing
- Honeywell International
- Unidgo Spa
- Hamworthy
- Sulzer
- FMC Technologies
- Alfa Laval
- Andritz

#### Regional Analysis of Oil & Gas Separator:

North America region dominate the Oil & Gas Separator Market because rising offshore exploration activities in Baken oilfields, increase production from tight reservoir increases the demand for Oil & Gas separator. It is expected to grow at high rate and retain its majority by 2022. Asia-Pacific region will show the fastest growth in forecast period because raising the E&P infrastructure activities in countries like China, Indonesia, Vietnam, is expected to increase the demand of oil & gas separator.
