NEW YORK, NEW YORK, USA, December 6, 2016 /EINPresswire.com/ -- The Minnesota Mesothelioma Victims Center is urging a recently diagnosed person with mesothelioma anywhere in Minnesota to call them at 800-714-0303 to ensure they have the nation's top lawyers working on the financial compensation claim. As they would like to explain or discuss with a person or family dealing with this rare cancer caused by asbestos exposure, "If you hire an unskilled or under qualified lawyer/law firm to work on your mesothelioma compensation the results can be disastrous."

When they mention 'disastrous' they mean the diagnosed person or their family loses out on hundreds of thousands of dollars.
