

Four Generations of Clean Energy Leaders Recognized

Sparking the Passion in Others

WASHINGTON, D.C., USA, November 28, 2016 /EINPresswire.com/ -- On Friday December 2, 2016, Leaders in Energy will give recognition to four inspiring and deserving leaders in the clean energy field. The third annual Four Generations of Leaders in Clean Energy & Sustainable Solutions Awards honor contributions from people of all ages, across the generations, in the clean energy and sustainability arena.

The theme of this year's 4gen event is all about "Sparking the passion in others." The winners of this year's award, who

Real Heroes Up the Pole

have been nominated by their fellow members of the Leaders in Energy group, are:

- World War II: Penelope A. "Penny" Gross, Fairfax Board of Supervisors for the Mason District
- Baby Boomer: Albert Nunez, Vice President of Capital Sun Group
- Generation X: Dave McCarthy, Founder/Director, Potential Energy DC & Founder/Managing Partner, Spore 1, LLC
- Millennial: Nofar Hamrany, Environmental Leader at New York University Campuses in DC and Shanghai

“

From Academia to Government and Entrepreneurs to Wall Street these Leaders are inspirational

Janine Finnell

Hear from a local leader in energy and environmental policy, a titan in the field of solar power, the leader of a non-profit incubator for sustainability entrepreneurship, and a student leader who already has had a global impact.

Janine Finnell, Executive Director of Leaders in Energy and Clean Energy Ambassador, said: "We are thrilled with our Four Generations awardees and look forward to hearing from them regarding their work in clean energy and sustainable solutions and their suggestions to help inspire others."

The event will be held on Friday, December 2nd, 2016, 6 - 9 pm, at the Crystal Gateway Complex in Arlington, Virginia (Crystal City).
