About PENTHOUSE Magazine:

Bob Guccione founded PENTHOUSE Magazine in London, England in 1965; the elevated gentlemen's publication, featuring beautiful women, intelligent journalism, and intimate revelations, was brought to the United States in 1969. The inaugural issue of American PENTHOUSE sold out in a matter of days, marking a provocative and definitive "British invasion" by England's controversial magazine. The covers of PENTHOUSE Magazine, and the articles contained within, are coveted collector's items, often featuring celebrities and beautiful, art-inspired photography, which chronicle the libido of a changing nation and the pop culture which it has helped shape. Made famous worldwide for its fearless approach to sexuality and its unabashed support of those rebelling from the norm and defining their own identity, PENTHOUSE, with its motto "PENTHOUSE ~ Enjoy The View," stands as the greatest men's brand in history.
