“

This book will greatly add to your knowledge portfolio by helping you drive meaningful results in your business

J. Burr

Achieving long-term success requires crucial knowledge in every aspect of building and growing your business: marketing and sales, financing, research and development, customer service and much more. It's important to understand business trends, profit hacking approaches, and have an awareness of how to scale a business to be positioned and ready for the next level of success. Often it's overwhelming.

Wired for Results is a step-by-step guide to make business tasks less daunting. Inside *Wired for Results* you'll find downloadable resources to aid in the process of growing a business.

“Lucy Hoger follows her wildly successful book “*Ignite Inspiration*” with “*Wired For Results*”. We all know that once success is modeled correctly it can be repeated. Lucy is able to identify the all-important details critical to a successful model, especially at the start of a company. This book will greatly add to your knowledge portfolio by helping you drive meaningful results in your business. By establishing these key elements that repeatedly drive results, and focusing on the added formulas and ingredients, I learned to set the direction while creating lasting results. It is a great read with plenty of added resources that I enjoyed digging into. I highly recommend it.” ~ J. Burr
