

Appliances Connection Extends Cyber Monday Sale

Appliances Connection has extended their Cyber Monday Sale to midnight on the last day of November.

BROOKLYN, NEW YORK, UNITED STATES, November 29, 2016 /EINPresswire.com/ -- From now until then, customers can still get massive retail price reductions like \$1,500 off kitchen packages on many top brands like Bosch, LG, GE, Samsung, and more. Furniture and appliances are still on sale for up to 65% off in what will be a three-day Cyber Sale. [Appliances Connection](#) has decided to cast off the tradition of the 24-hour sale to offer our customers the most time to make their purchases for the best prices this holiday season.

There are a host of different types of appliances on sale including cooktops, range hoods, microwaves, refrigerators, freezers, and more. The sale also includes our regular benefits of free nationwide shipping, zero-interest financing for 18-months (when paid in full) and no sales tax (except in NY State). We're offering, in addition to the kitchen packages savings, up to 40% off on ranges and laundry pairs (washers and dryers), up to \$500 off on dishwashers, and up to 65% off on furniture. Our kitchen packages are among our most impressive savings bundles, and you can see them [here](#). The sale constitutes more than just pairs and packages; we also have individual appliances for sale at some of our lowest prices of the year. You can check out all of the sale prices and products that we're featuring on our [sale page](#).

Appliances are lasting investments that augment the user's quality of life, and we believe the technology to make your life easier should be within your budget. Our Extended Cyber Monday Sale is a great time to get the most out of the remainder of this first wave of the holiday shopping season.

Appliances Connection is an online appliances and home furnishing retailer. We also have a partnership with Scavolini and an in-house design team trained by them.
