

Early Bird for Leading Mobile Deployable Communications Event Expires Midnight Tonight

Future attendees for next years' Mobile Deployable Communications conference are advised to register by 30 November to save £200.

LONDON, SELECT, UNITED KINGDOM, November 30, 2016 /EINPresswire.com/ -- The £200 booking [discount](#) for SMi Group's military conference, [Mobile Deployable communications](#) will expire on the 30th November 2016. This discount is available for all types of bookings and will be the last chance for attendees to save substantial money when booking their spot at this year's [event](#).

Proudly sponsored by RUAG (Gold Sponsor), General Dynamics, NSSL Global, Tampa Microwave and Thales, the eagerly awaited event will focus on cyber defence and securing communication networks for CIS architectures and capabilities:

1) KEYNOTE ADDRESS: A Network Operations and Cyber Defence Perspective
Colonel Andrew McClelland, Commander, DISA Europe

2) HOST NATION ADDRESS: Cyber Security of Communication Systems based on R&D activities of Military Communication Institute
Lieutenant Colonel Bartosz Jasiol, Head of Cyber Security Laboratory, Military Communications Institute

3) Agency Ensuring Cyber Secure Tactical Communication Networks for the EU Military
Wolfgang Roehrig, Programme Manager and Project Officer Cyber Defence, European Defence Agency

These are just some of the many high level presentations at next year's event. The unrivalled expert speaker panel 2017 includes: Netherlands Armed Force, Belgian Defence, Spanish Ministry of Defence, European Defence Agency, DISA-Europe, Multinational Corps Northeast, Tampa Microwave, Ministry of Defence France, US Army Europe, EU Military Staff, NATO, General Dynamics Mission Systems, RUAG Holding AG, Thales Communications & Security.

With over 100 attendees expected, it will bring together a global audience of military, industry and research experts, future delegates can expect to meet the following: Heads of CIS, Tactical Communications Programme Managers, Heads of J6, Heads of Signals and Heads of Communications.

Further information on the two-day conference or to book at the £200 off, early bird rate, visit:
