Unprecedented Demand.

centertec has enjoyed tremendous growth during its first month of operations. Large organizations, schools, Hospitals, Heath Care Agencies and shopping malls have all flooded centertec with opportunities and offers. To keep up with the tremendous demand centertec opened new space 70 days earlier than planned, pushing centertec to over 10,000 feet of floor space.

With the new space, Makey Makey, Robot building, 3d Printing, software coding lessons and seminars, meetups and large tech focused events all now take place under one roof.

“Now someone of any age and any skill level can come to centertec and use state of the art technology and experience cutting edge VR” said Daniel Taylor, co-founder of centertec.

“While younger kids are playing a VR game, tweens are learning how to code a smart phone app 100 feet away as teen agers bop around centertec snapchatting their friends latest 3d printed work” said Zac Mueller, assistant manager. “centertec is the first and only place for social VR gaming and experiences,” he said.

With the demand for VR social gaming and eSports predicted to continue, centertec will offer franchise opportunities in 2017.

centertec currently offers over 90 VR games and experiences, and will begin hosting eSports tournaments in 2017.

centertec offers custom birthday party packages, VR training for professionals, Makey Makey, meetup space and corporate outings.

Reservations for VR gaming are encouraged and are available for \$30 per person per hour.

Reservations for gaming and eSports are made online at <http://www.centertec.com>.
