

# UpChefs Launches New Product on Amazon to Help Kids Eat Their Food

*Fun Sandwich Bread Cutter Shapes for Kids is the newest effective partners for parents, especially mothers, in making eating habits healthier and enjoyable.*

IDAHO FALLS, ID, UNITED STATES, December 2, 2016 /EINPresswire.com/ -- [UpChefs](#) launches its new and exciting product 'Fun [Sandwich and Bread Cutter](#) Shapes for Kids' on Amazon today. UpChefs believes that this timely product will be loved by kids who are picky when it comes to eating. The goal of the business is to help families and communities grow even stronger by eating wholesome meals together.

Fun Sandwich and Bread Cutter Shapes for Kids is the newest effective partners for parents, especially mothers, in making their kids' eating habits healthier and enjoyable. UpChefs introduces this new product because they understand that it can be really frustrating to let picky kids eat their food. One effective way to get them eating with no interruptions is being creative and innovative through colorful and cute sandwich and bread cutter shapes.

The newest effective partners for parents, especially mothers, in making their kids' eating habits healthier and enjoyable.

*UpChefs*

Since kids are visual learners and are more appreciative of what is pleasant to their eyes, UpChefs thought, why not take eating for kids into a more creative and innovative way? That is why they come up designing a great tool to create enjoyable eating experiences for kids with Fun Sandwich and Bread Cutter Shapes for Kids.

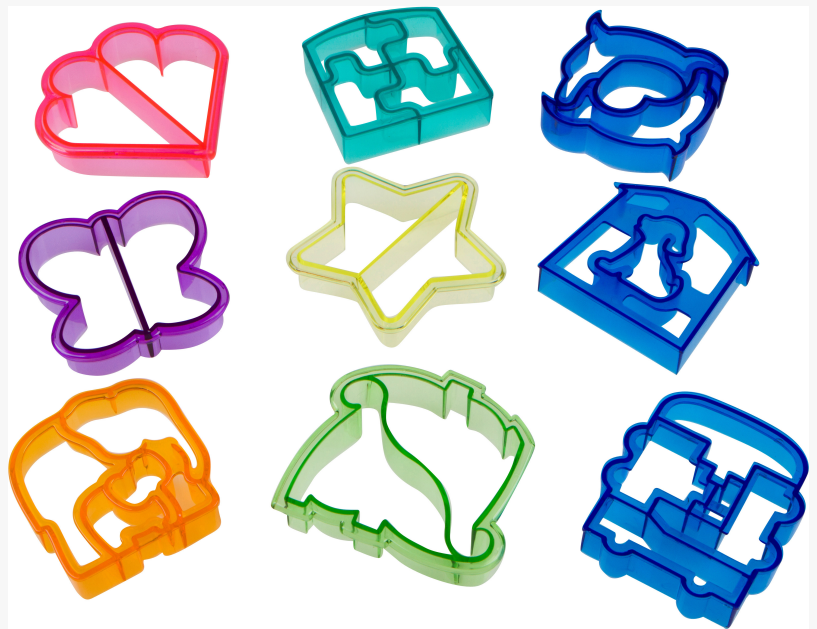

Fun Sandwich and Bread Cutter Shapes for Kids makes mealtimes fun. With 9 colorful fun shapes, picky eaters are motivated to eat sandwiches, vegetables and fruits. These cutout food shapes are also perfect for moms who want to do DIY food art. This UpChefs sandwich maker kit is a great help to encourage kids to eat healthy foods and maintain their healthy food habits.

The product is crafted from 100% non-toxic and safe materials. Moms can guarantee that Fun Sandwich and Bread Cutter Shapes for Kids is BPA-free, Phthalate-free, mercury-free and lead-free. This is safe for toddlers because the cutter shapes have no sharp edges that can harm kids. It can also be used for donuts, pancakes, biscuits, soft veggies, cakes, cheese, toast, tortillas and more. It is very ideal for picnics, birthday and food decorating.
