“

We will stop Timeshare Fraud  
- One consumer at a time!”

*Dustin Lemelin -  
President/CEO*

Reports are rife on timeshare fraud these days and often it's too late for the timeshare owners to realize that they are into nothing but an entrapment of false promises and spiked property upkeep fees. According to sources, 99% of timeshares sold in the US are sold fraudulently and illegally. It was this staggering rise of timeshare scams that led Dustin Lemelin to establish Timeshare Release Now, LLC in 2012.

Mr. Lemelin is one of those rare souls who are always upfront

to salvage innocent people from catastrophe and his TRN is aimed to educate and save the Timeshare buyers about the traps hidden in otherwise-dreamy timeshare contracts.

“We understand how the menacing timeshare frauds are ruining lives financially and we are here committed to solving your timeshare woes with our most effective and informed Timeshare cancellation services. Unlike other regular timeshare exit companies around, we actually back our clients with a 100 percent satisfaction guarantee. Our fees are the lowest in the industry and with 25+ years of combined vacation travel experience, our team can ensure the most credible timeshare exit service for your peace of mind”, stated Dustin, the President and CEO of Timeshare Release Now. “We are here to stop the mindless Timeshare Fraud- 1 customer at a time”.

Timeshare Release Now approaches each client with a 30-minute free of cost consultation with a live experienced agent who will discuss the nuances of the case. A dedicated case manager will be allocated to each client who will stand by his side right from start to the end. While other regular timeshare exit companies base their fees on the amount of maintenance fees being paid by the client, Dustin's consumer protection advocacy agency only follows what exactly works for the client.

“We promise you a completely reliable service by offering the legal evidence of your name removed

from the contract so that you can have your needed sleep at night. We assure you a very transparent service and it's our mission here to help out our 'average John' timeshare owner to get out of his oppressing timeshare contract permanently, easily and effectively. Our grand rapport with big travel providers & affiliates enable us to offer timeshare cancellation solutions like no other. We have extensive know-how on the unethical sales tactics used by timeshare sellers and we know how to catch them to save you. We are here to eradicate the timeshare epidemic and bring justice to our clients."

Timeshare Release Now is ready to assist timeshare consumers 24/7/365.
