"This masterclass is for new investors as well as our active investors. We're excited to show everyone what to expect from real estate investing, and how we can shed light on alternatives to the unpredictable and often confusing markets. To further help investors understand the EquityBuild Finance difference, we are releasing our Top 12 Reasons for investing with us," said Shaun Cohen, vice president of EquityBuild.

The new EquityBuild Finance Top 12 list:

- 1) Double-Digit Returns: In a world of small and even negative returns on investment, EBF pays double-digit APR returns on our private mortgage notes.
- 2) Secure Investment: All EBF notes are 100% backed by income-producing real estate.
- 3) Fixed Rate: No rollercoaster performance. You lock in your rate for the full term of the note.
- 4) Paid Monthly: You don't have to wait until you sell your asset or for its term to expire before you see your money. EBF returns are always paid monthly, as regular as clockwork.
- 5) 18 Month Term: While the worldwide markets churn, you can lock in great rates and spend the next 1.5 years thinking about happier things.
- 6) Investor Protection: EBF private mortgage note investors are fully protected with first lien position.
- 7) No Brokerage or Management Fees: Have your money work for you, not disappear into a brokerage's deep pockets.
- 8) Approved for Retirement Accounts: EquityBuild Finance private mortgage notes qualify under IRS rules for use in IRAs, Roth IRAs, 401(k)s and SEPs when authorized by a self-directed plan custodian.
- 9) EquityBuild's Track Record: We have had zero foreclosures on the more than 700 deals we have completed.
- 10) Totally Passive Income: EBF investors receive the benefits of investing in real estate, without having to lift a finger. EquityBuild Finance does all the work, so you can relax and let your double-digit returns roll in month after month.

11) Decades of Experience: EBF's team of experts have spent tens of thousands of hours living and learning the fine details of real estate investing. Our clients receive the benefit of our knowledge, expertise and vast experience.

12) Making a Difference: At the same time that they're providing for themselves and their families, our clients are also helping to make much-needed improvements for the neighborhoods in which they invest. Their rehabbed buildings provide hard working families with nicer, safer places to live, while having an uplifting impact on the neighborhood as a whole.
