

# Waterline Controls is Proud to Announce Attendance at the 2017 ASHRAE Winter Expo

*Waterline Controls will be attending and demonstrating at the 2017 AHR Expo. See our Water Level Controllers and Sensors in action.*

TEMPE, ARIZONA, USA, December 6, 2016 /EINPresswire.com/ -- [Waterline Controls](#) will have a display at The International Air-Conditioning, Heating, Refrigerating Exposition (AHR Expo), which is the event of the year for the HVACR industry. With over 2000 exhibitors and upwards of 60,000 attendees, it is the place to be this winter.

VISIT BOOTH N10441 to see the latest we have to offer in water level control technology.

Waterline Controls offers the most advanced and reliable solution on the market. Our Electronic Water Level Sensors and Microprocessor based Solid-State Level Controller are used in Power Plants and small offices. With connections to Building Automation Systems (BAS), audible and visual alarms and reliable accuracy, not to mention freedom from plating our fouling or probes, Waterline Controls is the leader in Cooling Tower water level controls for HVAC systems large or small.

## Location Information:

2017 AHR Expo  
Las Vegas Convention Center ([map](#))  
3150 Paradise Rd, Las Vegas, NV 89109

## Expo Hours:

Monday, January 30 | 10am-6pm  
Tuesday, January 31 | 10am-6pm  
Wednesday, February 1 | 10am-4pm

We will be in attendance with a working system on display. See how easy we can solve float issues, automation issues, and offer 100% reliability, fast support and worry free operation you can bank on.
