

Easton Residents Now Have More Affordable Dental Implant Options

With the expansion of Affordable Dental Solutions, residents in Easton and the Lehigh Valley have more affordable options when it comes to dental implants.

EASTON, PENNSYLVANIA, UNITED STATES, December 8, 2016 /EINPresswire.com/ -- Affordable Dental Solutions (ADS) has brought [affordable dental implants](#) to Easton, PA. With this most recent expansion of the Reading-based dental care provider, ADS now offers four convenient locations in Eastern Pennsylvania. Area residents in need of dental care will never have far to travel.

The caring professionals at ADS in Easton have long been committed to providing quality care at an affordable price. ADS provides implants starting at only \$2,000. This low rate includes the implant, abutment, and crown, making the price offered by ADS one of the most affordable prices in the area. Easton residents who have long been searching for dental implants will not only receive a great value, but also a quality treatment performed by highly experienced dentists using state-of-the-art technology.

An affordable, beautiful smile is not far away for Easton residents

“

We at Affordable Dental Solutions are dedicated to providing a quality, affordable treatment that will leave our patients smiling.

Dr. Michelle Bernreuther

ADS in Easton offers a variety of dental treatments in addition to implants, including [affordable dentures](#), full mouth restoration, and even [implant-retained dentures](#).

“Regardless of your dental need, we at Affordable Dental Solutions are dedicated to providing a quality, affordable treatment that will leave our patients smiling,” explains Dr. Michelle Bernreuther, one of the practice’s skilled dental implants experts.

Residents of Easton, Phillipsburg, and the Lehigh Valley should no longer let the cost of dental treatment impact their oral health. Those wishing to learn more about the dental implant services ADS in Easton offers should schedule a consultation with Dr. Bernreuther.
