

BluePay's Integration with MemberSuite Eases Payment Acceptance for Associations

BluePay is proud to announce its partnership with MemberSuite, the leading provider of cloud-based management solutions for associations and nonprofits.

NAPERVILLE, IL, USA, December 6, 2016 /EINPresswire.com/ -- Integrated payment technology expert, BluePay, is proud to announce its partnership with [MemberSuite](#), the leading provider of cloud-based management solutions for associations and nonprofits. BluePay's payment processing technology is fully integrated with the multi-tenant platform to provide a seamless credit, debit, and ACH acceptance experience for MemberSuite users.

Each association processing with BluePay will have a merchant account, as well as each chapter within that organization. The multi-level set up will allow for the separation of products and funds amongst different entities within each association.

"We designed our software to provide a complete and modern member management experience for our clients," said Andrew Ryan, CEO and founder of MemberSuite. "BluePay's integrated payment technology offers a simple and secure solution for our users to accept payments for dues, event fees, products, and more right within their MemberSuite interface or through the association website."

"BluePay is excited to work with MemberSuite and their clients to solve their pain points with accepting payments," commented Dave Bennett, EVP, Business Development at BluePay. "In addition to many features such as recurring billing, hosted donation forms, and fraud management tools, MemberSuite clients will benefit from a quick and easy sign-up process and best-in-class customer service from a company that cares."
