

ITFirms.co Releases Best of December 2016 IT Rankings

Bidding goodbye to 2016, ITFirms.co released its final updated ranking for the year.

NEW YORK, NY, UNITED STATES, December 7, 2016 /EINPresswire.com/ -- Handpicking from thousands of globally recognized development agencies, the lists present an absolute source for finding the best and most sought-after companies that provide various services like mobile app development, website design, eCommerce, Magento development, enterprise app development, cross-platform app development and more.

The top-rated companies are abreast of modern technologies and frameworks, which fulfill every need of every business and expectations of customers. Some of them are continuously setting benchmarks in the development industry so high that they are outperforming themselves in each of the categories.

ITFirms.co, one of the most influential research and advisory firms worldwide, has revised the rankings with a concentrated, firm-wide focus on client service that has catapulted many of the lower-ranking agencies up nearly 2-3 spots from their previous ranks. Some of the top names include Fueled, WillowTree Inc., Konstant Infosolutions, Blue Fountain Media, Contus, Forix Web Design.

The top three companies in different sections are:
