

WOMEN'S MARCH DRIVE WOMEN ENTREPRENEURS TO CREATE "PANTSUIT NATION TUMBLERS"

Perfect Cause-Related Accessory for Women Marchers That Give Back to Planned Parenthood

HOLLYWOOD, FLORIDA, UNITED STATES, December 7, 2016 /EINPresswire.com/ -- With the potential for women's rights to be in jeopardy under the in-coming Trump administration looming on the horizon, Stacey Schrager, president of Stacey Schrager & Associates, and Lauren Ballard, CEO of the Sanook Experience, two successful women entrepreneurs, saw huge potential to create the perfect accessory for women marchers with their eco-friendly tumbler that keeps beverages hot or cold, supports Pantsuit Nation and gives back to [Planned Parenthood](#).

Pantsuit Nation, originally founded on the idea of supporting Hilary Clinton and wearing pantsuits to the polls on November 8th, has quickly become a movement of nearly four million members strong. What started as a viral idea on social media has snowballed into a potentially massive event, The Women's March on Washington and now Women's Marches across America are slated for Saturday, January 21, 2017. It has the potential to be the biggest mass mobilization yet that America has seen in response to a presidential inauguration.

"Not knowing what holds for single working mothers, we see our 'Pantsuit Nation Tumblers' as a way to help all of us who worry about the future of our families. We are working hard to make a living while also supporting women's issues by joining Pantsuit Nation groups, attending meetings, coordinating Marches and giving a percent of profits back to Planned Parenthood," said Schrager. "Pantsuit Nation" Tumbler make wonderful holiday gifts for all of the women and men who support the cause and proud to share their beliefs with the world," added Ballard.

The engraved 30 oz. "Pantsuit Nation" Chaos Cup Tumbler is made of 18/8 kitchen-grade stainless steel, has double-wall vacuum insulation, powder coating coloring and no condensation on the outside of the tumbler. These specialty tumblers cost \$40 plus shipping with a percent of profits going directly to support Planned Parenthood. "Pantsuit Nation" Tumblers will keep your cold drinks cold and hot drinks hot until the very last sip and the perfect cup to take with you to your local, state or national "Pantsuit Nation" meetings and marches, especially in the chilly Northeast, at the ground-breaking Women's March on Washington, DC or in warmer cities like Miami, Los Angeles or Arizona.
