

Image One USA receives Committed to Engagement Award™

Company commits itself to keeping employees engaged and involved at every level

WOOD DALE, ILLINOIS, UNITED STATES, December 9, 2016 /EINPresswire.com/ -- Image One USA, a [commercial cleaning franchise](#) with nearly 100 units across Chicagoland and in other major U.S. markets, has just received the “Committed To Engagement Award” for the action company leaders have taken to improve engagement in their business.

“

I am really proud of our commitment at Image One to create an environment that relies on powerful processes to engage our entire team.

Tim Conn

The Committed to Engagement Award is independently verified and awarded by Engagement Multiplier – a global leader in improving employee engagement in the workplace. To qualify for the award, companies have to demonstrate they have implemented a process to robustly measure employee engagement levels every 90 days and have a system to take action on the feedback. Companies must provide a permanent structure and mechanism for employees to confidentially and anonymously share their views, supported by a commitment by leadership to improve engagement

levels.

“I am really proud of our commitment at Image One to create an environment that relies on powerful processes to engage our entire team, our customers and anyone that comes into contact with our business,” said Tim Conn, co-founder of the company. “We now have a system and process to regularly measure engagement, opening our business to suggestions to consistently make it more successful on every level. We are truly delighted to receive an award that recognizes our ongoing commitment to engagement.”

Image One USA received the award on behalf of the processes established within its corporate offices; the franchise also receives consistent feedback from franchise owners in an effort to them engaged every step of the way, ensuring that their voice is also heard. It has also been recognized multiple times as an industry leader in franchisee satisfaction through third-party surveys.
