

# Mobali Solutions Joins Agiloft's Global Partner Program as a Certified Reseller

---

TALLINN, ESTONIA, December 13, 2016 /EINPresswire.com/ -- [Mobali Solutions](#) announced today that they've become an [Agiloft](#) Certified Reseller. Mobali Solutions joins Agiloft's global Partner Program, which covers five continents with resellers throughout the U.S., South America, Europe, Asia, and Oceania.

Mobali Solutions extends the reach of Agiloft's award-winning solutions for Contract Management Service-Desk Automation, and custom Workflow Automation in Europe's Nordic and Baltic countries.

"Mobali Solutions is a welcome addition to our rapidly growing global partner network." Said Colin Earl, CEO of Agiloft. "Their Kanban driven approach to software development and proven track record of Agiloft implementations, means customers can expect a high level of service."

"We're excited to become an Agiloft Gold Partner. We see tremendous potential both in their offerings as well as in their no-code business process platform." said Ville Virtanen, CEO, Mobali Solutions.

Mobali Solutions has completed several customer implementations. Agiloft's pre-built applications and deep configurability, enable systems to go live on-time and on-budget. Mobali has also done complex integrations to 3rd party systems, including real-time data imports into Agiloft.

## About Mobali Solutions

Mobali Solutions was founded in 2013, to provide software development and consulting services. We specialize in creating software for mobile devices, desktops and in the cloud. Using Agiloft and XAF-technologies, we've implemented customized business systems for a variety of industries (e.g. health care, trade and telecommunications). Our background also includes consulting on Project Server management systems, training and support services.

## About Agiloft

Over 2.5 million users at organizations ranging from small enterprises to U.S. government agencies and Fortune 100 companies depend on Agiloft's top rated product suites for Service Desk, Contract Management, Custom Workflow, and more. Agiloft specializes in automating processes that are too complex for competing vendors. Our best practice templates and agile technology ensure rapid deployment and a fully extensible system.
