

# National Commercial Cleaning Franchise Image One USA Expands Reach into Denver

*Growth into Denver and surrounding suburbs part of broader West Coast expansion initiative*

DENVER, COLORADO, UNITED STATES, December 14, 2016

[/EINPresswire.com/](http://EINPresswire.com/) -- One of the fastest growing commercial cleaning franchises in the United States continues its growth into new U.S. markets today with the launch of its Denver office, spearheaded by franchise affiliate owner Steve Conn.

He is well positioned to lead the march west as a longtime leader on Image One's corporate team, most recently serving as director of operations.

“After helping Image One USA build its foundation and expand its reach, I'm now ready and eager to take the next step in my own professional journey,” Steve said. “I'll be able to put into practice everything I have instilled in our franchise owners over the years through our team member training programs.”

Steve is the brother of Image One co-founder Tim Conn and has been a part of the franchise since its inception. Having been a part of the commercial cleaning industry for more than 30 years, Steve is bringing tremendous experience to the Denver market and ushering in a new era for the Chicago-based cleaning franchise.

“It's a joy to see my brother Steve branching out and answering the entrepreneurial call as an Image One owner,” Tim Conn said. “The entire Image One team is thrilled for Steve. We're confident in his ability to spread our business and mission to the greater Denver area.”

The Denver franchise opening, part of the newly launched franchise affiliate program that provides additional opportunities for owners, adds to nearly 100 franchise units in operation and comes on the heels of recent growth in other markets nationwide, including Cincinnati, Detroit, Fort Myers, Nashville and Orlando. There are opportunities for growth in other major markets in and around Colorado, including Albuquerque, Colorado Springs, Dallas/Ft. Worth, Kansas City, Oklahoma City, Santa Fe, St. Louis, Tulsa and others.
