

# TraceGains Software to Host 4th Annual TGCon User Conference

DENVER, COLORADO, USA, December 15, 2016 /EINPresswire.com/ -- TraceGains software will be hosting its fourth annual user conference, known as TGCon, taking place at the Westin Westminster in the Denver metro area on May 17-18, 2017.

TGCon's purpose is to provide the inspiration, education, and connections to help TraceGains' customers transform their businesses. The two-day event provides exclusive opportunities to optimize the use of TraceGains solutions through advanced- and beginner-level training workshops, presentations from industry leaders, case studies, and one-

on-one "Ask the Experts" sessions with TraceGains' staff. The event is an interactive forum featuring industry thought leaders who will inform and inspire the audience to take their operation to the next level.

“

TGCon is a place where users motivate each other to leverage TraceGains' features in new and exciting ways to achieve continuous improvement in their operations.

*TraceGains' CEO Gary Nowacki*

According to TraceGains' CEO Gary Nowacki, "TGCon is a place where users motivate each other to leverage TraceGains' features in new and exciting ways to achieve continuous improvement in their operations. TGCon offers the right mix of user-contributed sessions and guest speakers so everyone leaves with actionable insights and new contacts."

TGCon promises to be insightful and informative for attendees whose titles range from Quality Manager to Chief Operating Officer. With plenty of opportunities during the two-day program for networking, TGCon is a place where deals have been made and new alliances are forged. Attendees regularly rate TGCon as the top educational and networking event they

attend each year. For a glimpse of TGCon2016, please visit: <https://fast.wistia.net/embed/iframe/s44lvvmu3d>.
