Myanmar Construction Expo

This leading international "Property Show in Myanmar" aims to take advantage of the need for more infrastructure and rising demand from overseas buyers. A large number of Myanmar Investors and business men are also going global for expanding their businesses and investment portfolios; this also offers opportunities to foreign Real Estate Developers to market their properties in Myanmar.

MiTA Myanmar Property-Construction-Furniture Expo is part of Yangon GREAT Trade Fair, YgTF 2017 and YgTF 2017 in Tatmadaw Hall can accommodate 120 exhibitors in-door (each booth nine square meters) and more expo-booths can

The future prospects of Myanmar Real Estate and Infrastructure Construction sectors look promising. With continued democratic and economic progress in Myanmar, each coming year looks brighter and Myanmar market shows high potential.

MiTA is organizing expo with multiple themes because then the expo becomes more effective at present time in Myanmar because there will be better business matchmaking with Myanmar companies; the majority of the private companies in Myanmar are family-owned and they have multiple businesses and this also attracts more number of trade visitors, professionals and the general public to attend the exhibition.

MiTA Myanmar Property-Construction-Furniture Expo will be held twice in 2017, with the second event at Tatmadaw Hall from 23-25 June 2017.
