We are organizing expo with multiple theme because:

- there will be better business matchmaking with Myanmar Companies; and
- majority of the private companies in Myanmar are family owned and they have multiple businesses.

Our expo will have concurrent "Myanmar Investment Conference" (which is value addition). In the conference, we have excellent speakers including: EU Ambassador; Harvard Business School (HBS), Singapore International Arbitration

Center (SIAC), UMFCCL & Myanmar Government Ministry senior officials.

MiTA Myanmar Exhibitions and Conferences which were held in 2015 & 2016 were grand success.

Tatmadaw Hall expo & conference venue will be managed by Grand United Hotel (a 4 star hotel in Yangon); Grand United Hotel managed our past 2 exhibitions at Tatmadaw Hall.
