

3M N2550-6002RB Wire-to-Board Connectors Now Available from Heilind Asia

SHATIN , NT, NEW TERRITORIES, __, December 16, 2016 /EINPresswire.com/ -- [Heilind Asia](#), the global leading distributor of interconnect and electromechanical components, announced availability of N2550-6002RB wire-to-board connectors of [3M](#). Now customers can buy 3M N2550-6002RB wire-to-board connectors directly from Heilind Asia.

The N2550-6002RB is a 50-way 0.100 x 0.100-inch 4-wall Straight Header for 0.062-inch thick board tail, with gold-plated copper alloy contacts and through hole termination. This 2500 series low profile header is a glass filled polyester (PCT) insulated, center slot polarization prevents mis-insertions and reduces insertion time, suitable for reflow soldering using paste in hole techniques

Heilind Asia supports both original equipment and contract manufacturers in all market segments of the electronics industry, stocking products from the industry's leading manufacturers in 25 component categories, with a particular focus on interconnect and electromechanical products.
