Pivoting blog from game development to self-development

PHOENIX, ARIZONA, USA, December 17, 2016 /EINPresswire.com/ --

This summer I met a girl and she made me realize I need to grow up. So I pivoted my blog from game development to inspiration and self-improvement. <http://renegadecitizen.com>

A bit about myself

In 2007 I got West Nile Virus from a mosquito and became severely disabled. I'm in a wheelchair and have been learning to walk ever since. I hope to inspire the world.

I also created a shopify shop where I offer some T-shirts @ <http://shop.renegadecitizen.com>

They help pay for the blog, I will be creating more [inspirational T-shirts](#) and I will branch out into other products too. Some of the articles I blog about are:

HOW TO CHOOSE THE RIGHT FRIENDS FOR LONG-TERM SUCCESS

and I also plan on writing other articles on Success, Self-improvement, motivation, and Entrepreneurs.
