EINPresswire.com/ -- Market  
Highlights

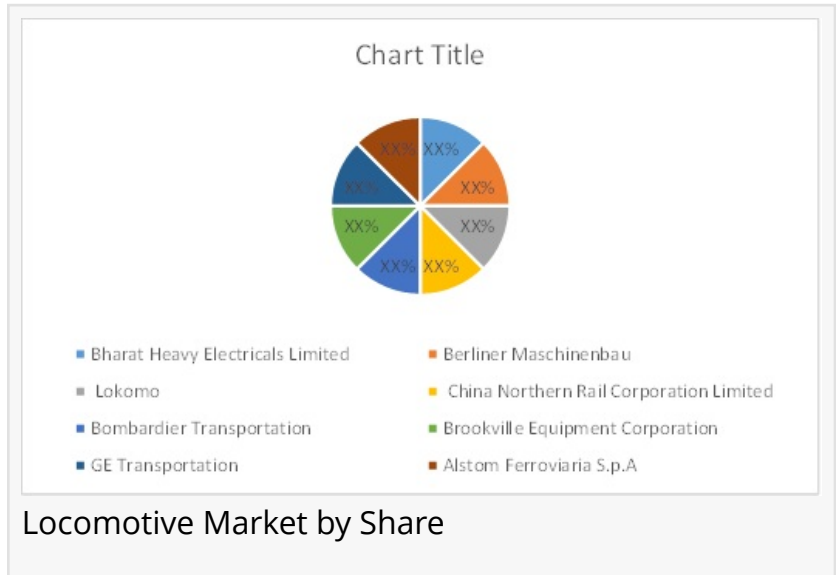

Increasing rate of urbanization has been contributing towards the growing popularity of locomotive among the general public. Expansion of rail networks in majority of developed as well as developing nations as well as growing concern among the individuals regarding environmental sustainability has had a positive impact on the global [Locomotives Market](#). Significant investment by authorities across the globe in development of railway infrastructure for freight and high speed trains has also resulted in the growth of global locomotive market.

## Key Players

- Bharat Heavy Electricals Limited
- Berliner Maschinenbau
- Lokomo
- China Northern Rail Corporation Limited
- Bombardier Transportation
- Brookville Equipment Corporation
- GE Transportation
- Alstom Ferroviaria S.p.A

Scope of the report

Asia-Pacific region is expected to dominate the global locomotive market mainly due to the existing infrastructure proving to be insufficient to cope with the increasing population. Europe is expected to hold the second largest share in the global locomotive market mainly due to the largest market for rail products, of which major share is acquired by locomotives.

This study provides an overview of the Locomotive industry, tracking market segments across the categorized five geographic regions. The report provides a five-year forecast for the market size in terms of value for North America, Europe, Asia-Pacific, Middle East & Africa, and South America. The scope of the study segments the Locomotive market based on Absorber Plate, and Application.

Taste the market data and market information presented through more than 40 market data tables and figures spread in 100 pages of the report. Avail the in-depth table of content TOC & market synopsis on "[Locomotive Market Research Report - Global Forecast to 2022](https://www.marketresearchfuture.com/reports/locomotive-market-research-report-global-forecast-to-2022)"

#### Intended Audience

- o Locomotive manufacturing companies
- o Locomotive service providers
- o Locomotive Consultants and Investment bankers
- o Government as well as Independent Regulatory Authorities
