

New Flight Charters Announces YTD Increases, Adds USAF Officer To Private Jet Charter Staff

Renowned Jet Charter Company Expands; Spurred by Growth in Private Charter Flight Demand.

DENVER, COLORADO, USA, December 19, 2016 /EINPresswire.com/ -- New Flight Charters, a nationwide leader in private jet charter, announced a 9.4% year-over-year increase in number of charters through November, 2016. The company, celebrating its 12th Anniversary, has experienced consistent growth in demand and was named to the Inc.500 fastest growing U.S. company list four consecutive years.

Averaging 13.6% annual growth since 2004, New Flight Charters continues to gain popularity with private fliers; in particular corporations, political organizations and private families.

Contributing to New Flight Charters success, the company features one of the industry's largest aircraft

availabilities, the ability to customize any aircraft or flight request, and a Best Price Guarantee for any charter.

“

High performing, attentive and thoughtful professionals provide the best service and travel experience every day in air charter.
