

Reading-Based Orthodontist Continues to Bring Affordable Care to Eastern Pennsylvania

Based in Reading, PA, Exeter Orthodontics offers affordable braces and Invisalign to thousands of residents in Eastern Pennsylvania.

READING, PENNSYLVANIA, UNITED STATES, January 3, 2017 /EINPresswire.com/ -- With seven locations in Eastern Pennsylvania, Berks-based Exeter Orthodontics is dedicated to being the most affordable [orthodontist in Reading](#) and beyond. In order to achieve this, the practice offers both traditional wire braces and Invisalign for one all-inclusive fee.

For only \$3,995, about half the cost other orthodontists may charge for similar treatment, patients can have their choice of either [affordable braces](#) or [affordable Invisalign](#). Regardless of which option patients decide to pursue, they will receive quality treatment delivered by a caring team of highly experienced orthodontists.

“

We stay up-to-date with the latest technologies so that our customers always receive the best care.”

Dr. John Pardini

“We’ve treated thousands of patients,” Dr. John Pardini, board-certified orthodontist at Exeter Orthodontics, explains. “And we stay up-to-date with the latest technologies so that our customers always receive the best care.”

The immense satisfaction that patients of Exeter Orthodontics have received has allowed the practice to continue to grow and expand its commitment to affordable, quality orthodontic care to families not only in Reading, but throughout Eastern Pennsylvania. Those who have considered braces or Invisalign, but worried about their costs, should schedule a consultation with Dr. Pardini.

About Exeter Orthodontics: For several years, Exeter Orthodontics, a Pennsylvania-based orthodontic practice, has offered area patients braces and Invisalign treatments for as low as \$3,995. Their team of orthodontists remains dedicated to providing high quality care at an affordable price. Learn more at <http://www.exeterorthodontics.com/>
