

Affordable Braces and Invisalign Are Close to Home for Philadelphia Residents

Regardless of whether Philadelphia families choose braces or Invisalign, Exeter Orthodontics offers one affordable price.

PHILADELPHIA, PENNSYLVANIA, UNITED STATES, January 12, 2017 /EINPresswire.com/ -- The cost of braces is not an easy one for many families to manage. However, Exeter Orthodontics seeks to bring some relief to Philadelphia families with its location in Exton, PA. Only an hour outside of the city, now Philadelphia residents in need of orthodontic care can choose either [traditional braces](#) or [Invisalign](#).

Regardless of which option a patient chooses, he or she will pay an all-inclusive cost of only \$3,995. With the average price of braces as high as \$7,000, the low price Exeter Orthodontics offers is a welcome relief. The orthodontic practice also has payment plans available in order to make the price even more manageable.

Despite the low price, treatment is efficient and the materials used are of the highest quality. The team of orthodontists works hard to stay up-to-date with the latest technology and advancements in orthodontic care to ensure that patients have a more satisfying experience.
