

# TraceGains Receives 2016 Best of Westminster Award for Software Companies

WESTMINSTER, COLORADO, UNITED STATES, December 20, 2016

/EINPresswire.com/ -- TraceGains, the leading Food Safety and Quality Assurance (FSQA) software solution for food and consumer packaged goods (CPG) companies, has been selected for the 2016 Best of Westminster Award in the Software Company category by the Westminster Award Program.

Each year, the Westminster Award Program identifies companies that have achieved exceptional marketing success in their business category. These companies enhance the positive image of Westminster-based companies and the innovations they are championing. The winners are exceptional companies that help make the Denver metro area, and specifically Westminster, a great place to live, work and play.

“

TraceGains is honored to receive the Westminster Award in recognition for our software company's impact on the community.

*TraceGains' CEO Gary Nowacki*

According to TraceGains' CEO Gary Nowacki, "TraceGains is honored to receive the Westminster Award in recognition for our software company's impact on the community. Not only is Westminster the location of our headquarters, we host our

annual user conference at the Westin Westminster so our customers get to see and experience the beautiful surroundings we have right here in our backyard."

Various sources of information were gathered and analyzed to choose the winners in each category. The 2016 Westminster Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Westminster Award Program and data provided by third parties.
