Market Research Future

The Oil and Gas has recently recovered from a major price crisis which saw significant fall in investments in the oil and gas market. Off late the oil and gas industry has witnessed stabilization and the prices are steadily rising which is one of the primary factors driving the sand screen market. Sand screens play an essential part in the sand screening process in the oil and gas industry. Thus with the recent increase in onshore and offshore exploration activities the increasing demand in the oil and gas industry is directly translating into increasing demand in the Sand Screens market.

Key Players in the Sand Screen market are SKF, Trelleborg, Freudenberg Sealing Technologies, Dana Holding, Federal-Mogul, Dichtungstechnik, Henniges Automotive, and KACO GmbH + Co. KG.”
