The analysts forecast the global 3D CAD market to grow at a CAGR of 6.06% over the period 2014-2019.

CAD is an effective and efficient tool for modeling and designing products and components with ease and accuracy. These solutions enable end-users to digitally prototype their products before production. They help engineers, architects, and other design professionals draft industry-specific products to enhance the development of products. CAD solutions are widely adopted by several industries such as automotive, aerospace and defense, industrial machinery, electrical and electronics, and others. These solutions enable end-users to digitally prototype their products before production.

Covered in this report
The global 3D CAD market can be segmented into five end-user segments: aerospace and defense industry, automotive industry, electrical and electronics industry, industrial machinery industry, and others.
The report, Global 3D CAD Market 2015-2019, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the Americas, APAC, and EMEA; it also covers the market landscape and its growth prospects in the coming years. The report also

includes a discussion on the key vendors operating in this market.

Key region
• Americas
• APAC
• EMEA

Key vendors
• Autodesk
• Dassault Systèmes
• PTC
• Siemens PLM Software

Complete Report Details @ https://www.wiseguyreports.com/reports/168379-global-3d-cad-market-2015-2019

Other prominent vendors
• 3D Systems
• BobCAD-CAM
• Cadonix
• CAXA
• CHUO ENGINEERING
• Graebert
• Gstarsoft
• Hitachi Sunway Information Systems
• IMSI/Design
• IronCAD
• OnShape
• Oracle
• Robert McNeel & Associates
• Schott Systeme
• Tebis Technische Informationssysteme
• YFCAD
• ZWSoft

Market driver
• Shift from 2D CAD to 3D CAD
• For a full, detailed list, view our report

Market challenge
• Availability of open-source and free CAD software

• For a full, detailed list, view our report

Market trend
• Increase in M&A between VARs
• For a full, detailed list, view our report

Key questions answered in this report
• What will the market size be in 2019 and what will the growth rate be?
• What are the key market trends?
• What is driving this market?
• What are the challenges to market growth?
• Who are the key vendors in this market space?
• What are the market opportunities and threats faced by the key vendors?
• What are the strengths and weaknesses of the key vendors?
