

Linerless Labels Market by Composition (Facestock, Adhesives) and End-User (Beverages, Pharmaceutical), Forecast 2022

*Global Linerless Labels Market
Information by Composition (Facestock,
Adhesives & others), by End-User (Food &
Beverages) and by Region - Forecast to
2022*

PUNE, MAHARASHTRA, INDIA, January
3, 2017 /EINPresswire.com/ -- Market
Highlights

Linerless labels are pressure sensitive labels that do not have liner or backing paper. These labels have special release coating applied to the face of the label which allows the label to be wound on a roll without the adhesive sticking to the label below it. Continuously growing end use industries, rising demands for sustainable and environmental friendly labeling, cost effective are some factors driving the growth of this market.

On the basis of region, Asia-Pacific is the largest market by value and volume both. Asia-Pacific region is expected to grow at fastest pace during the forecast period. The market is expected to grow at CAGR of 4% approximately by 2022.

Major Key Players

- Hub Labels

Market Research Analysis

The market is highly application based. The factors

contributing to the growth of the market are, rising awareness, growing industries such as retail, manufacturing & others, cost effective and environmental friendly product. The market is expected to have higher growth rate as compared to the previous years. Asia-Pacific is the largest region for the Linerless Labels market.

Scope of the Report

This study provides an overview of the [Global Linerless Labels market](#), tracking two market segments across four geographic regions. The report studies key players, providing a five-year annual trend analysis that highlights market size, volume and share for North America, Europe, Asia Pacific, and Rest of the World. The report also provides a forecast, focusing on the market opportunities for the next five years for each region. The scope of the study segments the Global Linerless Labels market as Composition and End-User.

Segmentation by Composition

- Face stock
- Adhesives

Segmentation by End-User

- Food & Beverages
- Pharmaceutical
- Retail
- Logistic

Taste the market data and market information presented through more than 60 market data tables and figures spread over 140 numbers of pages of the project report. Avail the in-depth table of content (TOC) & market synopsis on "[Global Linerless Labels Market Research Report - Forecast to 2022](#)"

Study Objectives of Global Linerless Labels Market

- To provide detailed analysis of the market structure along with forecast for the next 6 years of various segments and sub-segments of the Global Linerless Labels Market
- To provide insights about factors affecting the market growth
- To Analyze the Global Linerless Labels Market based on various factors- price analysis, supply chain analysis, porters five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, APAC, and Rest of the World (ROW)
- To provide country level analysis of the market with respect to the current market size and future prospective
- To provide country level analysis of the market for segment by Composition, by End-User and by Region.
- To provide strategic profiling of the key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the this Market.

Regional Analysis of Global Linerless Labels Market

Asia-Pacific region dominates the Linerless Labels market. This is mainly due to increasing population with rising economies, rising awareness, growing retail & logistics sectors are the factors driving this market in APAC region. This region is expected to grow at a fastest pace during the forecasted period.
