

Exeter Orthodontics Makes Affordable Braces a Reality in Reading

Exeter Orthodontics offers Reading residents braces or Invisalign for an all-inclusive, flat fee of only \$3,995.

READING, PENNSYLVANIA, UNITED STATES, February 1, 2017 /EINPresswire.com/ -- The cost of [braces](#) is a burden for many families, but Exeter Orthodontics is seeking to change that. The [orthodontist in Reading](#) offers patients searching for orthodontic care traditional wire braces or [Invisalign](#) for an all-inclusive fee of only \$3,995.

“

From the time patients walk into the office, we work with them to ensure that they receive care of the highest quality and a treatment that best fits their individual needs.”

Dr. Soraya Mills

While there are many differences between wire braces and Invisalign, including their appearance, comfort, and treatment length, patients will face one low price and materials of the highest quality, no matter which option they choose for their orthodontic care.

“From the time patients walk into the office, we work with them to ensure that they receive care of the highest quality and a treatment that best fits their individual needs,” explains Dr. Soraya Mills, board-certified orthodontist at Exeter Orthodontics in Reading.

Thousands of patients have already been treated at the seven Eastern Pennsylvania locations of the rapidly-growing orthodontic practice. It is due to this immense patient satisfaction that Exeter Orthodontics can continue to grow and offer its affordable services to more families.

The team of caring, qualified orthodontists in Reading performs nothing but braces and Invisalign for both teens and adults, which has enabled them to quickly and efficiently carry out quality treatments. Reading residents who have been considering orthodontic treatment for themselves or their teens should schedule a consultation with Dr. Mills at Exeter Orthodontics in Reading.
