

Bringing Payment Solutions to Puerto Rico.

DCDB Group & U.S. Payments Consultancy, Elevation, the consulting arm of NACHA , Announce Partnership.

WASHINGTON, DC, USA, December 29, 2016 /EINPresswire.com/ -- [DCDB](#) Group, a global financial services consultancy firm and Elevation, the consulting arm of [NACHA](#) – The Electronic Payments Association, administrator of the U.S. [ACH](#) Network have formed a strategic partnership to offer ACH Payment Solutions, Compliance and Educational seminars to banks and other financial institutions in Puerto Rico.

Elevation's services help businesses and financial institutions increase adoption and use of ACH payments, streamline payments practices, improve data quality, and reduce costs with respect to payments processing. "Elevation's partnership with DCDB will facilitate increased access to the ACH Network by removing friction and increasing ease of use for banks and their corporate customers" said George Throckmorton, managing director, Elevation.

"We are pleased to partner with DCDB to further expand access to the ACH Network by enabling financial institutions in Puerto Rico to easily create and transmit ACH files," added Throckmorton.

The relationship delivers DCDB Group's deep knowledge of global bank and non-bank Financial Institution solutions within the transactional banking, payment processing, clearing and correspondent banking along with expertise in compliance, training and certifications for ACH Services.

"We are delighted to bring what we feel is an excellent offering to banks in Puerto Rico. We are delighted to form a strategic partnership with Elevation where we will look to really show the value and power of the ACH Network to Puerto Rican institutions over the course of 2017," said Kyran Culhane, Managing Partner, DCDB Group.
