

ProTek Construction Will Open Second Location for Tampa Roofing Services in 2017

ProTek Construction Services Inc. ("ProTek") is opening a second location in Tampa, Florida on January 1, 2017 to provide quality home exterior services.

NAPERVILLE, IL, USA, January 4, 2017
/EINPresswire.com/ -- [ProTek Construction Services Inc.](#) ("ProTek") is opening a second location in Tampa, Florida on January 1, 2017 to provide quality home exterior services for restoration, replacement and remodeling including roofing, siding, decking, gutters, and other value add exterior components. All are welcome to visit the ProTek office and showroom located at 6101 Jet Port Industrial Boulevard, Building 518 and the office number is (813) 888-ROOF (7663).

"Although there are many Tampa roofing companies providing roof repair or replacement, we have heard feedback from homeowners that they are looking for faster results with higher quality product choices and better service throughout the entire project cycle," stated Tom Leiber, ProTek Partner and CEO. "Our promise to the homeowner is consistent communication every step of the way until the job is done and the customer is happy with the result. We are very excited to help homeowners enhance and 'protekt' one of their most valuable assets - their home."

"We've been selected as the "go to" general contractor for homeowner associations, property management teams, residential and commercial projects. Our expansion into the Tampa Bay Tri-County areas will demonstrate that we raise the bar on craftsmanship, customer focus, product options and strategic relationships so the homeowner truly has less stress and 100% peace of mind about their investment for years after the project closes," explains Brian Roter, Partner and COO. "Our philosophy is that every home is treated as our own so the goal of every job is complete customer satisfaction."
