KOLKATA, WEST BENGAL, INDIA, January 5, 2017 /EINPresswire.com/ -- [Capital Numbers](#) InfoTech Pvt. Ltd. today announced that it ranked Number 436 on the Deloitte Technology Fast 500TM Asia Pacific 2016, a ranking of the 500 fastest growing technology companies in Asia Pacific. Rankings are based on percentage revenue growth over three years. Capital Numbers InfoTech Pvt. Ltd. grew 115% percent during this period.

Capital Numbers InfoTech Pvt. Ltd.'s CEO, Mr. Mukul Gupta, credits dedication, devotion, and determination to the company's 115% revenue growth over the past three years. He said, "We are really happy to win the Deloitte AP TechFast 500 Leadership Award. All our hard work has been channelized to build a strong company and at the end of the day, this award is a testament to our continued success and growth. Our ongoing drive and ambition to create a global presence remain undiminished and this is just the beginning."

"Making the Deloitte Technology Fast 500TM is commendable in today's highly competitive technology industry," said Toshifumi Kusunoki, DTTL Leader, Deloitte Technology Fast 500TM Asia Pacific program. "We congratulate Capital Numbers InfoTech Pvt. Ltd. on being one of the 500 fastest growing technology companies in the region."

Overall, companies that ranked on the Deloitte Technology Fast 500TM Asia Pacific 2016 program had an average growth rate of 573 percent—the highest average growth rate since 2008. The Technology Fast 500TM list is compiled from the Deloitte Asia Pacific Technology Fast 50 programs, nominations submitted directly to the Technology Fast 500TM, and public company database research. To qualify for the Technology Fast 500TM, entrants must have had base-year operating revenues of at least US\$ 50,000. Entrants must also be public or private companies headquartered in Asia Pacific and must be a "technology company," defined as a company that develops or owns proprietary technology that contributes to a significant portion of the company's operating revenues; or manufactures a technology-related product; or devotes a high percentage of effort to the research and development of technology. Using other companies' technology in a unique way does not qualify.
