

CES 2017: 360RIZE Introduces Uni360 Universal 360 Video Rig for GoPro™ and YI Technology Cameras

360RIZE has introduced the Uni360, a universal solution for filming professional quality 360 video content with GoPro™ and YI Technology action cameras.

LAS VEGAS, NV AND OLEAN, NY, UNITED STATES, January 11, 2017 /EINPresswire.com/ -- At CES 2017 [360RIZE](#) introduced the [Uni360](#), a universal solution for filming high resolution 360 video content. The Uni360 is a all-weather rig that supports GoPro™ and YI Technology action cameras.

Camera compatibility is the Uni360's key attribute, as the unit can mount GoPro™ Hero2, Hero3, Hero4, Hero5 Black, and Hero5 Session cameras. The Uni360 also supports YI Technology 4K cameras and the new YI 4K+.

The Uni360 is capable of capturing 8K (8,000 x 4,000 pixels) resolution 360 videos and 12K (12,000 x 6,000 pixels) 360 photos.

"The Uni360 is meant to lower the barrier for content creators looking to film high resolution 360 videos and to make it possible to film with different cameras with the same rig," said 360RIZE CEO Michael Kintner.

“

*Michael Kintner, 360RIZE
CEO*

"We're especially excited to be introducing support for YI Technology's powerful line of cameras and utilizing them to film 360 video. The new YI 4K+ camera will now allow our gear to capture content at resolutions as high as 10,000 x 5,000 pixels at 60 frames per second."

The Uni360 features an anodized aluminum center core which is designed to mount 6 separate camera holder arms. These camera holder arms attach to the center core via stainless steel screws for a rugged, sturdy design. The camera holder arms serve as the mounting point for the various cameras

supported by the rig, allowing for simple camera installation.

The Uni360 is available for [pre-order](#) on the 360RIZE Shopping Center with limited quantities expected to ship in February of 2017.

Key Features:

- Mounts 6 cameras in a spherical orientation to facilitate capturing 360 x 180 degree videos and photos
- Patented 360 Plug-N-Play™ design incorporates camera housings to support all-weather use
- Compatible with GoPro™ Hero2, Hero3, Hero3+ and Hero4 series cameras
- Compatible with GoPro™ Hero5 Black and GoPro™ Hero5 Session
- Hero5 Black compatibility requires purchase of 6 Super Suit Dive housings for mounting
- Compatible with YI Technology 4K cameras and the YI 4K+
- Holder features qty. 2 – 3/8" threaded mounting points
- Compatible with 3/8" monopods, tripods and other standard mounting solutions
- 360 video output resolutions up to 8,000 x 4,000 pixels
- Compatible with drones and UAVs

About 360RIZE:

360RIZE, formerly 360Heros, specializes in 360 video camera systems that capture professional quality spherical video content. 360RIZE also develops 360 video workflow solutions such as 360CamMan, the world's first VR media management software. Through years of research and innovation, 360RIZE is empowering content creators to push the limits of this emerging technology and our ability to create immersive content.
