If the lawyer you are talking to has not personally guided a Navy Veteran through the mesothelioma compensation process within the last year-with a substantial claim settlement please call us anytime

Florida Mesothelioma Victims Center

The Center fears that a US Navy Veteran in Florida with mesothelioma or their family members may not realize there is such a thing as full time mesothelioma attorneys who represent US Navy Veterans with this rare form of cancer caused by asbestos exposure-nationwide. These extremely skilled and experienced mesothelioma attorneys will typically produce much better financial compensation results than a lawyer who has little to no experience working with US Navy Veterans with mesothelioma.

For more information, a diagnosed Navy Veteran in Florida or their family members are urged to contact the Florida

Mesothelioma Victims Center anytime at 800-714-0303.

Aside from their focus on the best possible compensation the Center is also very passionate about treatment options for mesothelioma. For the best possible mesothelioma treatment options in Florida the Florida Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital:

·The H. Lee Moffitt Cancer Center in Tampa, Florida: <http://moffitt.org/>

High risk work groups for exposure to asbestos now living in Florida include US Navy Veterans, power plant workers, shipyard workers, oil refinery workers, steel mill workers, miners, manufacturing workers, plumbers, electricians, auto mechanics, machinists or construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

The Florida Mesothelioma Victims Center says, "If you have been diagnosed with mesothelioma and

you live in Florida please call us at 800-714-0303, and compare the qualifications of who we consider to be the nation's most skilled mesothelioma attorneys to any other lawyer, or law firm.”
