The Center says, "At a minimum we are urging a person in Indiana who has recently been diagnosed with mesothelioma or their family members to call us anytime at 800-714-0303 to confirm they really

“

We do not want to see one person in Indiana with mesothelioma to get financially shortchanged because they did not hire the most experienced and capable lawyers

Indiana Mesothelioma Victims Center

are talking to the nation's most qualified mesothelioma attorneys. As we would like to explain anytime to a person with mesothelioma in Indiana or their family the Internet is not exactly the best place to find an extremely qualified mesothelioma attorney. About half of the Internet ads we see about mesothelioma are sponsored by mesothelioma marketing law firms, as opposed to the actual law firms that do the highest quality compensation claims work, or if needed a lawsuit.

"We do not want to see one person in Indiana with mesothelioma to get financially shortchanged because they did not hire the most experienced and capable lawyers. We also do not want to see one diagnosed person in Indiana get overcharged by a law firm offering an inferior service-especially if we are talking about a skilled trades worker, a factory worker, or a Navy Veteran with mesothelioma in Indiana. Before you hire a lawyer to assist with a mesothelioma compensation claim please call us at 800-714-0303 to ensure you really are talking directly to the nation's top mesothelioma attorneys. Please don't settle for less."

The Indiana Mesothelioma Victims Center's unsurpassed services for diagnosed people with mesothelioma in Indiana is a statewide initiative and available to a diagnosed person with mesothelioma in communities such as Indianapolis, Fort Wayne, Evansville, South Bend, Hammond, or Bloomington.

The Indiana Mesothelioma Victims Center says, "Mesothelioma is caused by exposure to asbestos. High risk work groups for exposure to asbestos in Indiana include US Navy Veterans, power plant workers, oil refinery workers, steel mill workers, manufacturing, or industrial workers, plumbers, electricians, auto mechanics, machinists, or construction workers. In most instances the diagnosed person's exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

For the best possible mesothelioma treatment options in Indiana the Indiana Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital.
