Market driver

- Increased number of mobile computing devices.
- For a full, detailed list, view our report

Market challenge

- Lack of infrastructure in developing economies.
- For a full, detailed list, view our report

Market trend

- Collaboration leading to new product development.
- For a full, detailed list, view our report

Key questions answered in this report

- What will the market size be in 2020 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?

Table of Contents

PART 01: Executive summary

- Highlight

PART 02: Scope of the report

- Market overview
- Top-vendor offerings

PART 03: Market research methodology

- Research methodology
- Economic indicators

PART 04: Introduction

- Key market highlights

PART 05: Market landscape

- Market overview
- Market size and forecast
- Five forces analysis

PART 06: Market segmentation by application

- Market size and forecast

PART 07: Market segmentation by component

- Market size and forecast

PART 08: Geographical segmentation

- Market size and forecast

PART 09: Market drivers

PART 10: Impact of drivers

PART 11: Market challenges

PART 12: Impact of drivers and challenges

PART 13: Market trends
