

# Config Consultants Anticipates a Strong 2017 with the Addition of Jim Peck

*Config Consultants announces Jim Peck, former Regional Manager Western US & Canada at Oracle Corporation, as their new Vice President of Sales.*

PLEASANTON, CALIFORNIA, UNITED STATES, January 10, 2017 /EINPresswire.com/ -- Config Consultants announces Jim Peck as its new Vice President of Sales.

Jim, who had been Regional Manager Western US & Canada at Oracle Corporation, will be in charge of managing and establishing sales targets that will align with company goals and objectives. Furthermore, he will oversee all sales functions of the company and develop strategic sales plans that will promote growth in sales and customer satisfaction.

“Jim is great with anticipating key issues early on and finding creative and effective solutions to overcome them. I am certain that having him on-board will not only benefit the sales team, but help the company as a whole stay focused on our core values.”  
– Vinay Kruttiventi, President and CEO, Config Consultants

Jim has over 30 years of experience in building effective sales teams for small, medium, and large companies. Before joining Config Consultants, he took three startups and built them to sizable companies, and oversaw them through a successful acquisition. As Vice President of High Tech at i2 Technologies, Jim led his vertical to the highest producing vertical in the company.

Config Consultants is a global consulting firm focused on making business better through enterprise wide transformations that result in modern sales organizations and lean supply chain processes, enabled by leading cloud software solutions. With solution centers in the United States and India, Config Consultants has international experience developing efficient solutions that create business value for Fortune 500 and Forbes Global 2000 clients.
