

# Config Consultants, the Largest SPM Practice in the World, Hires David Carlson

*Config Consultants announces David Carlson, former Director of Product Management SPM at Oracle Corporation, as their Vice President of SPM.*

PLEASANTON, CALIFORNIA, UNITED STATES, January 10, 2017 /EINPresswire.com/ -- David has a broad base of experience in almost every aspect of software, both management and as an individual contributor. As a results oriented executive in the business software marketplace, he has over 20 years of experience with Sales Performance Management (SPM) software. Having worked with more than nine different SPM products, he can draw on all aspects of SPM and all related areas. Additionally, he has experience in Pre-Sales Product Consulting, Sales and Marketing, Product Management, Business Development, Training, and Implementations.

“To manage our rapidly expanding Sales Performance Management practice, we wanted to hire someone with unparalleled experience in Oracle SPM. David’s exceptional resume and vast knowledge of SPM makes him a great asset to our team.”

– Vinay Kruttiventi, President and CEO, Config Consultants

Prior to joining Config Consultants, David was the Director of Product Management SPM at Oracle. He was also the Vice President of CellarStone Inc., a company that specializes in sales commissions and incentive compensation software and solutions.

Config Consultants is an award-winning consulting firm and Oracle Platinum Partner with unmatched experience in implementing Oracle SPM Cloud. Contact us today and find out why we are the preferred partner for companies looking to leverage the benefits of modern compensation administration tools.
