Global Medical Tourism Market Key Players Analysis and Forecast - Parkway Pantai Limited (Singapore), Prince Court Medical Centre (Malaysia), Shouldice Hospital (Canada), Schoen-Kliniken (Germany)
Market Research Future

Market Highlights

The Medical Tourist Industry is dynamic and volatile in nature. The range of factors including the political instability, travel restrictions, advertising practices, economic climate, domestic policy changes, geo-political shifts, innovative and pioneering forms of treatment has contributed towards the shift in patterns of consumption and production of domestic and overseas health services. The reason for the shift is are the relatively low-cost of treatments in less developed nations, the availability of inexpensive flights and increased marketing and online consumer information about the availability of medical services.

Global Medical Tourism Market:

The Global Medical Tourism Market has been evaluated as a growing market and it is expected that the market will touch high growth figures in future. Factors such less expensive treatment options in developing countries and the advancement in the technologies for the treatment of chronic diseases will drive the growth of the market. The global medical tourism market is expected to grow with CAGR of 15% during the forecasted period.
