

# Latest Revision on FDA Combination Product Guidance Presented at Pre-Filled Syringes Boston Summit

*FDA Present on Regulatory Considerations for Combination Products at Pre-Filled Syringes East Coast this Spring*

LONDON, ENGLAND, UNITED KINGDOM, January 11, 2017 /EINPresswire.com/ -- SMi Group will welcome the expertise of Tina Kiang, FDA Science & Policy Acting Director, when she presents an opening keynote at [Pre-Filled Syringes East Coast 2017](#).

The talk entitled 'Regulatory considerations of Combination Products' will explore key topics surrounding applicable regulatory schemes in both the US and EU; the latest revision of the FDA Combination Product Guidance; and changes in FDA's quality system requirements for pre-filled injection devices.

Working closely with a selection of handpicked PFS experts, the [program](#) for Pre-Filled Syringes East Coast 2017 will offer critical updates in pre-filled technological developments and opportunities for both new and established stakeholders.

Other notable speakers joining the FDA on the agenda will include:

“

...we should take this opportunity to learn, develop and improve our best practice and strategy for pre-filled syringes
