Myanmar Real Estate & Construction Expo website: <http://property-investment.mitamyanmar.com>
Myanmar Agriculture, Fisheries and Food Expo website: <http://agriculture-food.mitamyanmar.com>

MiTA is organizing expo with multiple themes because then the expo becomes more effective at present time in Myanmar because there will be better business matchmaking with Myanmar companies; the majority of the private companies in Myanmar are family-owned and they have multiple businesses and this also attracts more number of trade visitors, professionals and the general public to attend the exhibition.

"Our expo will have concurrent conference (which is value addition); conference participants need to buy delegate tickets if they want to join business-to-business networking sessions.
