

# Ditch Your 2016 Mascara—The Best Lash Enhancer in the World Just Got Even Better

*Reintroducing: Yunique Moodstruck 3D Fiber Lashes+, Your Favorite Social Media Beauty Product*

LEHI, UT, USA, January 12, 2017 /EINPresswire.com/ -- Women all over the world have fallen in love with the lash-enhancing miracle that is [Yunique Moodstruck 3D Fiber Lashes+](#). The formula that was featured on The Doctors, InStyle, Yahoo! Beauty and surely took over your Facebook timeline just got even better! NewBeauty Magazine said the current formula, “Creates serious length, volume and drama.” And the Suncoast View reviewed 3D Fiber Lashes+ saying, “You can make a fake lash with this stuff—it’s amazing!” Now your favorite social media beauty product can provide up to a 500% increase\* in average lash volume against bare lashes with just one coat of gel, fibers, gel—it’s sure to be an instant favorite!

The original lash enhancer skyrocketed [Yunique Products’](#) global beauty brand to the top of the direct selling industry and has evolved into something unreal. While the name may be the same, everything from the Transplanting Gel to the 3D Fibers and applicator has been recreated from the ground up, increasing average lash volume by up to another 100% over the current formula. Yunique Presenters are already experiencing the lash effect of this newly renovated beauty product, and they’re taking over timelines across the globe with their amazing results!
