

Global Department Store Retail Market is Expected to Grow at a CAGR of 5.4% During Forecast Period 2015–2020

OrbisResearch has added report on “Global Department Stores Retailing 2015-2020”. The report is split by product types, Size, Share, Trends & Forecast

DALLAS, TX, UNITED STATES, January 18, 2017

/EINPresswire.com/ -- [Global Department Store Retail Market](#) is expected to grow at a CAGR of 5.4% during 2015–2020, driven by the rising purchasing power of the middle-class population, young working professionals, and the expansion of department stores in emerging markets. Off-price department store sales are growing positively in North America, and the format is expected to gain popularity in Europe in the future. In an effort to provide a seamless shopping experience to the customers, department store retailers are developing new innovative concepts such as virtual reality, augmented reality, and others.
