

# Facial Recognition Market: Current Trends, Opportunities, Challenges & Global Industry Analysis by 2022

*Global Facial Recognition Market Information by Technology, Hardware & Software and by Vertical - Forecast 2016-2022*

PUNE, MAHARASHTRA , INDIA , January 18, 2017 /EINPresswire.com/ -- Key Players of [Facial Recognition Market](#):

Key Players: Safran Group, NEC Corporation, Cross Match Technologies, Cognitec Systems."

*Market Research Future*

## Recognition Market:

- Safran Group (France)
- NEC Corporation (Japan)
- Cross Match Technologies (U.S.)
- Cognitec Systems (Germany)
- Aware Inc. (U.S)
- Daon Inc. (U.S.)
- Gemalto (Netherlands)

- ZKTeco Inc. (China)
- Aurora Computer Services (U.S.)
- FaceFirst Inc. (U.S.)

#### Study Objective of Facial Recognition Market:

- To provide detailed analysis of the market structure along with forecast of the various segments and sub-segments of the Global Facial Recognition Market. To provide insights about factors affecting the market growth.
- To analyze the Facial Recognition market based on various factors- value chain analysis, porter's five force analysis etc.
- To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, Asia, and Rest of the World (ROW).
- To provide country level analysis of the market with respect to the current market size and future prospective.
- To provide country level analysis of the market for segment by technology, by hardware & software, by vertical and sub-segments.
- To provide strategic profiling of key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market.
- To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the Global Facial Recognition Market.

#### About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.
